Dear MEG Members....We have reported in our newsletters Council's proposal regarding the sale of our land at Bowen St. Malvern East. The greater proportion of this site is Public Open Space.

We have indicated to you that the Working Group of MEG is opposed to the sale of Public Land. Judging by its submission to the Select Committee on Public Land, unanimously approved by Councillors on Sept.17/07, Council too is opposed to the sale of Public Land and yet this land owned by residents of Stonnington may still be sold.

It appears that Council may be proposing to DEFER the sale...i.e. the decision will be made by the incoming Council after June 30/09.

The Report and Recommendation regarding Bowen/Fenwick St. will be an item on Council Agenda on June 16/08.

**We believe that Council should make a firm decision
not to sell the land.**

Please support the position we have taken and write or email all Councillors urging them to vote against the sale and against the deferral.

To make a real impression we are asking MEG Members to attend...

COUNCIL MEETING....MONDAY JUNE 16 7P.M.

MALVERN TOWN HALL

We look forward to seeing you there.
