Dear MEG Members,

Denise Wallish is one of the leaders of “**Residents Against the Stadium.**” Denise attended the Directions Hearing at the Supreme Court with a legal adviser and gave us a rundown on the Court proceedings. The next hearing is on September 18 and there will be a later hearing to learn the Court’s decision. We are grateful to Denise for sharing this information with us. Percy Treyvaud Park belongs to all of us.

You are aware that MEG has always supported the residents who have opposed Council’s determination to build a “stadium in a park.” We oppose the destruction of 150 trees and shrubs that help us to cope with an increasingly polluted neighbourhood. We oppose the amount of money Council proposes to spend at Percy Treyvaud Park.

We told you in our newsletters that the park is burdened with covenants that prevent Council from arbitrarily acting without altering the covenants in any way unless the Supreme Court allows it.

The beneficiaries of the covenants are opposing Council’s appeal to the Supreme Court to alter the covenants and will lodge objections to this action.

Going to the Supreme Court is an expensive business. We have told Denise that MEG will support the beneficiaries, many of whom are MEG members.

We are asking you to do the same.
